

The Village East Gifted Enrichment Program for Gifted and Talented Learners has locations in Huntington Station and Westbury. (www.VillageEastGifted.com) Over 280 students have enrolled in its programs which offer students, in grades K through 12, instruction in a multitude of advance subject areas well as creative problem-solving activities. All VEG curriculum units include on going instruction in the perfection of grammar, syntax, vocabulary, word usage, spelling and self-editing techniques.

Village East Gifted is open seven days a week holding classes during the day (for homeschoolers), afterschool, evenings, weekends, school vacations and over the summer. VEG teachers generally teach once or twice a week for two hours or on Saturdays and Sunday for up to six hours.

VEG has a summer program called Camp ThinkTank. For information about this program, click

Village East Gifted is expanding very rapidly and is looking for highly-creative and progressive teachers, with at least 20 years experience, to teach classes in grades K-9. Part-time positions as well as substitute positions are available during the school year as well as over the summer. A certificate in gifted education and/or grades 7-12 is required. The hourly salary is negotiable, depending upon experience.

All interested candidates should send a cover letter, resume and a sample summary of an enrichment curriculum that he/she has implemented to: info@VillageEastGifted . Attention: Headmaster .
